

## (Non-)Polarizing Beam Splitting Cubes ((N)PBSC)

polarizing beam splitting cubes (PBSC), dielectric coating,  $T_p > 90\%$ ,  $R_s > 99\%$ ,  $T_p/T_s > 1000/1$   
non-polarizing beam splitting cubes (NPBSC), hybrid coating,  $R/T = 1/1$ ,  $A = 5-10\%$ ,  $|T_p - T_s| < 5\%$   
AR on all work surfaces

the prices are given for small quantities for beam splitting cubes from stock

the prices for industrial series as well as for large quantities will be quoted by request

customized beam splitting cubes are possible by request

### prices (USD/pc) for PBSC from stock (1-10pcs)
